

# FORTUNE

*Our Insight.*  
**YOUR SUCCESS.**

*editorial highlight*

**ISSUE DATE:**

**May 20, 2013**

## **In this issue:-**

- **What it's like to Drown in Cash** – Apple has finally taken steps to distribute its unprecedented hoard, but will that be enough to revive its stock?
- **Citigroup's New CEO is a banker. Imagine that.** – Unlike his predecessors, Michael Corbat has spent 30 years working in banking operations. Could that be just what Citi needs?
- **Can Unitedhealth Really Fix the System?** – CEO Stephen Hemsley has a data-driven plan to lead a health care revolution.
- **Lockheed's Secret Weapon** – Marilyn Hewson, operations whiz, is suited to lead Lockheed in uncertain times.
- **The Next Oil Boom** – Energy giants are flocking to Kurdistan, but their presence is provoking tensions with Baghdad.
- **Inside the Boardroom: The Party is over!** – Being on a corporate board isn't the cushy gig it used to be. The hours are long and the scrutiny is intense. So why are executives lining up for a seat at the table?
- **The Directors** – Our annual portfolio of the people behind some of the biggest and most important organizations in America.
- **A Year of Frenzied Activity** – Flush with profits, America's biggest companies put their money to work in 2012, fueling a surge in M&A.
